Achieving
change
locally

An AQS-accredited Information & Advice Service

We help people with issues relating to welfare benefits, social care, concessionary travel, grant applications, health, housing and disability hate crime.

Disability Hate Crime Prevention & Awareness

We also lead a pan-London hate crime project.

Craftivism & Chat

Meeting monthly, this is a space to grow your confidence, feed into Merton CIL's work, and use art to push for change.

Social Policy Work

We want a society where Deaf and Disabled people have control over their lives and achieve full participation. We work with our members to make change happen.
