Our Services and Work

Information and Advice Service

Accredited and accessible advice relating to welfare benefits, adult social care, housing, concessionary travel, and grants.

Speaking Up Service

Holistic and person-centred support to challenge barriers to healthcare and get the help needed to feel included, listened to, and able to live well.

Community Development

We believe that community is key to making change happen. We are building an engaged, informed, confident and connected community.

Sign up as a member to make change happen.

Craftivism and Chat

A monthly space to connect and build skills through conversation and art. Sessions delivered by Disabled and local artists, in person and online.

Building Disabled Leaders

Providing opportunities for our community to build skills, knowledge and confidence to lead change.

Policy and Campaigns Work

Using our lived experience to influence and lead systemic change.

Access Champions

Passionate Disabled residents using lived expertise to make Merton more accessible for all.
